iTunes Music Store Gift Cards and Certificates

The perfect stocking stuffer!

iTunes Music Store Gift Cards and Certificates

iTunes Music Store Gift Cards are the perfect gift for the music lovers in your life. Give a \$15 or \$25 pre-paid iTunes Music Store Card and let them choose from over a million songs for 99 cents each from the world's #1 online music store.

Need a last minute gift? An electronic gift certificate delivers instant gratification. Just decide how much--from \$10 to \$200--and have it emailed to anyone within minutes.

Give the gift that rocks.

Check out the **iPod Gift List** for all the music lovers on your list. Choose from our entire lineup of iPod models, including the new iPod photo and the iPod U2 Special Edition. We also have exclusive iPod speaker systems from Bose, Altec Lansing, and JBL, along with iTunes Music Store gift cards, cases, and accessories.

Use your EPP discount to get a great deal on an iPod gift bundle.

For your convenience, the products listed in the table above have been divided into two groups.

1. **Standard Configuration** – These products are **not** custom configured (i.e. **no** upgrades to RAM, hard drive, optical drive, etc.) during the ordering process. A **standard configured iPod** is any iPod, iPod mini, iPod Photo, or iPod U2 **without** a laser-engraved message.

2. **Custom Configuration** – These products are **custom configured** (i.e. you can upgrade your RAM, hard drive, optical drive, etc.) during the ordering process. A **custom configured iPod** is an iPod, iPod mini, or iPod Photo **with** a laser-engraved message.
